My STO Mission

My goal as a State Thespian Officer is for the value of theater to become more known through the sharing of stories, including ones in which theater is used as an outlet for creative expression. Therefore, encouraging theater departments to build positive and safe spaces for all students to feel welcome and express themselves.

How Will This Be Achieved

*Here's an analogy that better
encompasses my mission*

*And will be used as an example
for what I plan to accomplish as
an STD*
